Dear Friend,

The Bellevue Historical Society is excited about our upcoming Signature Event, the *Taste of Tremont Block Party*. Bone Boys will be roasting a hog for this special occasion, and will serve both complete meals and food a la carte. A new ale crafted for this year's fundraiser will debut, along with featured wines from local wineries. Non-alcoholic beverages will be available too. There will also be an art show, music, entertainment and other enjoyable activities. Paid admission will only be required for the wine/beer tent. Please mark your calendar for this fun, engaging, family-friendly event which will be held Saturday, August 5, 2017 from 2 p.m. to 8 p.m. on North West Street.

Our goal is to raise funds for restoring the front of the Tremont House to its original Greek Revival facade. Will you help us reach our goal by sponsoring this event?

Last year's event helped to fund the structural steel reinforcement of the building (with generous help from Thomas Steel). New windows and the new front wall will recapture the original beauty of this 1846 building. When our new front door is installed, the old drugstore front will be removed. A new porch and columns will then be installed.

We look forward to continuing the restoration of this important historical building in downtown Bellevue through your generous donation and attendance at the Taste of Tremont Block Party. Please complete the enclosed form for your level of sponsorship. Thank you in advance for your generosity.

With your support, the Tremont House will regain its original beauty and showcase our collection of Bellevue artifacts.

Sincerely,
Bellevue Historical Society
