Dear Business Owner,

The Bellevue Historical Society's signature fundraising event, **The Tremont House Block Party**, will be held on August 4, 2018 from 2 p.m. to 8 p.m. on North West Street. We're excited to again host this celebration!

The Party will feature food from Bone Boys, wine from Ski Lodge Winery (Mike is introducing 2 new wines), beer from Catawba Island Brewing, and Copper Top's Twisted Tremont tea. Entertainment is in the capable hands of Arica Pfirsch of OCM, with Anthony Gardner serving as emcee. There will be artisans, games, raffle baskets and more at this family-friendly event.

This event will help to raise funds for the continuing restoration of the façade of the Tremont House. We're excited by the 'new look' on this old building! Work proceeds as funding allows; we are committed to completing this work on a pay-as-we-go basis.

You or your business can help by being a Sponsor for the Tremont House Block Party. Please complete the enclosed form for your level of sponsorship.

With your support, the Tremont House will regain its original beauty and showcase our rich collection of Bellevue's history. Thank you in advance for your generosity.

Sincerely,

Bellevue Historical Society
